

# BOOMS & EXTENSIONS

All Naish booms are manufactured with a newly developed mast grip, delivering better loadspread and traction for both RDM and SDM masts.

All booms include an easy to remove RDM Inlay that allows boom height adjustment without releasing outhaul tension.

## FIRESTICK RDM EXTENSIONS

Extension	Length	Material	Pin System
RDM Firestick	0-30	T8	Single Pin
RDM Firestick CB	0-30	Pre-preg Carbon	Single Pin
RDM Firestick CB	0-45	Pre-Preg Carbon	Single Pin

## ALLOY SDM EXTENSIONS

Extension	Length	Material	Pin System
SDM	0-30	T8	Single Pin
SDM	0-45	T8	Single Pin

## NEW PIN COLLAR ADJUSTMENT SYSTEM

## NEW SINGLE PIN PUSH SYSTEM

- Sand-safe
- Coil spring loaded push pin
- Large release button
- Stainless steel pulleys

## UNIVERSAL + ADAPTER

A tendon universal that can easily be transformed from single pin to double pin.

- Wide surface area for better load distribution
- Low profile
