

# GLOBAL

## Maximum Wave & Flatwater Versatility

The Naish Global fuses all of the best aspects of wave, bump and jump, and high wind flat water boards into a single product that can do it all. Fast, loose, early planing and easy jibing, the Global is offered in a range of sizes to fit every rider. The Global includes two fins that let the rider fine tune it to different conditions, and is the ultimate 'one board solution' for performance windsurfers.
