

GLOBAL FREERIDE

Versatile Performer at the Right Price

Based on the proven All Terrain, this sail turns up the Freeride volume with monofilm construction for more slalom emphasis, even more low-end power for larger boards, and new Junior sizes that go all the way down to 2.6 square meters. Great performance, great price, and legendary Naish build quality.

SIZES: 2.6, 3.4, 4.0, 4.6, 5.2, 5.8, 6.4, 7.2

CONSTRUCTION: Classic

PURPOSE: All around freeride

CHARACTERISTICS: Early planing, easy handling with wide range

GEOMETRY: Single scrim luff panel, moderate aspect ratio, 5 battens (except Junior sizes)
