

# STEALTH

## Slalom & Speed Machine

The world record breaking Stealth is also a test winner, and features an unbeatable combination of acceleration, top speed, and control with it's refined 3D mold and wide sleeve. With three years of evolutionary development and the integration of weight saving high tech materials, this is the best race sail ever offered by Naish. The ideal choice for Slalom racers, speed enthusiasts, and any sailor who wants to be the absolute fastest on the water.
